

Eddie Haney

August 4, 2024

Eddie (Bubba) Earl Haney passed away suddenly on August 4, 2024. He was born in Houston, Texas.

He is preceded in death by his parents, Earl and Delores (Pat) Haney, brother, Kenneth Crumpton, sisters Linda Allen and Robin Baucom.

He is survived by his wife Lisa Kinslow Haney of 30 years, stepson Josh Hopkins, sister Gail Starrett and brother Billy Jack Crumpton, a grandchild Lex and numerous nieces, nephews and great nieces and great nephews. And, his life-long chosen brother, Johnny Randlett. And we can't forget his favorite boat captain, Captain Bob Reynolds.

Bubba grew up in the Houston area. He spent many years as a construction superintendent for a local sheetrock company.

Bubba was a one-of-a-kind man! He was a simple man. He never wanted for more – he only wanted to help more. He never met a stranger, and if he did meet a stranger, they became friends. Always smiling, always had a joke or a fishing story. He became a fisherman with his dad at the age of 2 and loved deep sea fishing his whole life! He met a girl named Lisa who loved to fish just as much so, he had no choice but to make this one his wife! They enjoyed fishing together for many years. When he wasn't fishing, he was deer hunting!

He was also taught that by his dad. The only other thing he really enjoyed was helping other people – even if it was just to get them to smile. There is no telling how many people he helped who were down on their luck and needed a helping hand. He truly loved people. He loved the Lord and strived to do what the Lord intends for all of us – to love and help people make it through these days on earth.

The Addison family and staff of Magnolia Funeral Home extend condolences to the Haney family during this difficult time.

“ Bubba was a friend of my father's (Ronnie Green) and I will always remember the memories from fishing to hanging in the garage. I always told everyone growing up he had a special gift. That was fishing because he could catch anything with anything. As I got older from a little kid to an adult, I realized he was a man of many gifts.
