“ Unfortunately I just found out about the passing of Cloys. If it weren't for Cloys, i wouldn't be in the position I'm in , (comfortably retired after a successful career). Cloys , Jack Kahn , and I , started a business from scratch. Cloys was the only one with experience, & actually trained us . He became so well known in the buying field for his professionalism & knowledge. We teamed together for over forty years & he will be greatly missed.
