“ *Janice, Sandra and Phillip Jr.*

We are so sorry for the loss of your mom.

She was definitely a very special aunt.

I hold very special memories in my heart of Elaine, our families spent a lot of time together growing up that I will cherish forever.

Janice-I will remember all the talks we would have and your mom would always chime in on the conversation and have her late night snacks.

I would ask her what she ate for the day and she would turn around and ask me "what did you eat Connie"

She was loving, funny, and a joy.

Rest in Peace Elaine

Love,

Connie, Curtis, Paige and Dylan

“ *Momma I am already missing you so much! I will always treasure the moments we had together. I have enjoyed taking care of you. You are one tough woman and a true fighter. I admire the fight you had in you for life.*

This last 13 months with you living with us was a fun time with you. I am going to miss my little gambling partner...I am so happy that we had the opportunity to take you to Coushatta and let you do what you loved doing.

I want to thank you for leaving me with peace and comfort knowing Savannah was in heaven smiling because she was waiting to have her Nano back again.

*I smile because I know you knew how much I loved you and I cry because you had to go. Now you can Rest In Peace and be with Daddy, Wayne and take care of my Savannah for me. Please watch over us all and help us get through these days without you here. You will forever be in our hearts! And, remember our talk!
Love your daughter, Janice*

My gosh we have done so much in the 13 months you lived with me from little shopping trips to our road trips to Couchatta. I know you had the time of your life. I know we all kept you on your toes. “ *My sweet nano ,
I will forever miss your phones calls , our long talks & how you always asked “
how my sweet pea is “.
You meant everything to me & i am so lucky to have had a grandma that truly
loved me & cared so much.
I will never forget when you came and stayed the night with me & made me ur
famous spaghetti because you knew i was sad. You never let me down ever if I
needed you & I will never forget that.
Although I'll miss you so much & wish you never had to go I am relieved you're
not suffering anymore & that you're joining Savannah in heaven...
I hope you'll always know how much I love you. Preslee & I will keep your ring
safe forever.
Thank you for being the best nano you could be. Preslee & I are so thankful to
have had a nano like you.*

“ My beautiful sweet loving caring mom, I don't know how I am suppose to get use to you not being here and calling my phone. My heart is broken and hurting so bad and I don't know how I will get through this hurt. I have so many memories of you and me. Beautiful sweet memories. I know that you loved life and you enjoyed your life. You were the BEST mom in the world and you were a blessing to me and to whoever knew you. The ladies at Bible Study absolutely loved you. I am so happy that I got to spend several day's sitting with you this week. I love you mama with all of heart and I will think about you everyday for the rest of my life. You're now my beautiful Angel in heaven.
