

Erik Christophe Dixon

February 3, 2023

Erik C Dixon, 44, of Houston passed away suddenly on Friday February 3, 2023 at his home.

Born September 16, 1978, in Laurel, MD he was the son of Larry and Sandra Dixon of Westminster, MD. Both of whom predeceased him on December 14, 2022 and May 5, 2006 respectively.

Erik was larger than life and passionate about his work, his friends, and his beliefs. There wasn't a soul he wouldn't talk to or share a joke with, often using his humor to lift those around him. Erik was a people person and loved gatherings and merriment and was in his element when telling stories and sharing experiences for a laugh. That mischievous blue-eyed twinkle and jolly laugh will be missed by many.

Surviving in addition to his wife Mina are his son Liam Dixon of Meridian, ID; sister and brother in law, Andrea Dixon and James Heslin of Houston, and niece Claire Anna.

A service honoring Erik's life will be held on February 15, 2023.

The condolences of the Addison family and staff are with Erik's family and friends.

One of the fewest people I ever meet super honest and straight one piece man. I'll keep him in my heart forever. RIP my friend E.D.

“ I knew Erik for 8 years he was my boss and for along time my friend. I listened and learned from him and its allowed me to grow mentally and professionally. I remember when he asked me “do you know who Winston Churchill is?” I think I replied uh does he play football? ... lol Erik was full of knowledge and still so full of life, my deepest sympathies for his close relatives. He provided me the ability to care for the people I love and he worked hard and fought for the people he loved. I know this isn't the greatest pic of him but one of my favorite memories.

“ I remember when Erik started first grade. LOL. He was a great and funny kid The only kid I know that got kicked off the school bus the first day of school. His Mom didnt know weather to spank him or laugh at him. He had a very big heart. I love him

“ I have sat here for sometime trying to think of any words to say, and simply can't seem to find them... Erik will be greatly missed by many. I am so very sorry for his wife's loss and my heart grieves for Erik's sister and our son - they have dealt with more loss recently than any one individual should have to carry...

“ I may not have know Eric as well as some of my old coworkers. But the time I did spend with him while at a.i.s. I can say that he talked about his son and his wife when we would all go for lunch and tell us some of most insane stories that me and my buddy Isias would just laugh on and on about. He all ways had a smile on and would greet everyone as an equal and loved the work that he did and would teach to all of us even if we had separate job titles. The company him and mr Issac built he was very much proud of and it was only growing bigger even after I left the company it was his crown and jewel I believe he was most happy of the fact that not only him and mr Issa could provide for there family's but all of (us) the employees could provide for are own as well. Over all Eric hands down was a very respected man father and boss and I hope he enjoys his time in the cosmos.
