

Falon Fontenot-Hadley

June 1, 2024

Falon, Angel Fish, Angel Puff, Mumma, Boo Thang

Falon is and will forever be a magnificent woman of many talents. The talent to make you laugh make you cry or make you feel as if you could take on anything and come out on top. She had a way with words that couldn't be matched by anyone. She lit up the room with her beautiful spirit. She was a loving mother and wife. She was a diamond shining brightly in any and every situation. She was always there for people even when they didn't know they needed it or asked for it. She had the special gift that made everyone feel special. When you think of Falon you can't help but see her fun vivacious smile and larger-than-life personality. She didn't care what people thought about her. She was the type of woman that was very strong willed. You knew what she was thinking and exactly where you stood with her. She was smart, very witty, always willing to learn and loved so hard. When Falon would tell stories or just speak you could not help but be captivated by her. She loved to go places and have adventures. When you walked into her house, she made you feel like you were at home. She loved her children with every ounce of her being. She was a very proud mother, not only of her children but just being their mother. She cared for them in any and every way possible. If Falon knew you you can 100 % count on having at least 1 silly, funny or crazy nickname for each other. Hair was her passion. She and Sarah spent endless nights at the salon creating collections together. They did photo shoots, traveled all over for shows, and awards. It was what they were building their future on.

They spent most of our free time doing it. Falon and Sarah pushed each other to become the best they could be and to reach incredible heights in one of her greatest passions. To say she will be missed would be an understatement.

There will never be another Falon!

We love you

The Addison family and staff of Magnolia Funeral Home extend condolences to the Fontenot and Hadley families during this difficult time.

“ I’m so sorry to hear about Falon. She was such a bright light. I was a client when we lived in the area in 2021. She made me feel so welcome and we talked and laughed at every appointment like we were lifelong friends. Not only that, she was amazing with my curly mess of hair!

“ I'm having trouble processing since she was such a bright light in my life. I am a friend and was a client until I moved to San Antonio. Falon was always so welcoming and funny. She shared Grayson's clothes with my son. She invited us over to watch reality tv and play games. We always laughed and told stories when I came to the salon. She had the FUNNIEST stories! I'm heart broken. Sending love to David and the family.

“ I am so saddened to hear the loss of our sweet wonderful Falon, I was a client and friend of hers for many years up until she got sick and could no longer do my hair. The stories we would tell to each other had us both laughing and crying at the same time. I always knew when I came to the salon, not only would I look fantastic at the end, but my jaw would hurt so much from the laughter. Falon was a beautiful human being not only inside but outside as well, she was funny and caring, sensitive and loving all at the same time. Falon, I will miss seeing you and telling jokes. You will always be in my ❤️ heart forever. Thank you for being the wonderful person you are, I send my deepest condolences to her family and the salon family... Rest in Peace my sweet soul. I love you!!
