“ I met her as a patient several years ago. Come to find out my parents knew her kids and she knew my grandparents . She told me stories of my grandmother who I never really knew Bc she passed when I was five. I really enjoyed meeting her and just yesterday I was telling a student I'm training that sometimes I run into people that my parents or I know while working In healthcare. I guess she was on my mind for a reason yesterday. May she Rest In Peace.

“ Faye taught me how to drive a bus for Magnolia. Not only was she the best trainer but a wonderful friend you can depend on. I have the greatest respect for her.
I'll miss her jokes and that laugh.
RIP Faye. Be happy in Jesus's arms.
Heaven has gained a wonderful Angel.
