“ *I will miss you grandma! Remembering the light you were to all of us and how caring you were. I'll always have memories of visiting you when I was younger and the times after. Learning about you and your life replays with moments that will not be forgotten. We will meet again one day.*

“ *Grandma Flora was a beautiful person in and out. She was so caring, every time we gathered to celebrate a special occasion, she would make sure to ask all the boys how they were doing and showed them love. Grandma once for Christmas gifted me a dainty gold necklace and earring set. It till this day is my favorite piece of jewelry and I have worn it daily since. Brian Loved his black pair of socks that year, Lol. She loved her pets, dearly. I'll miss her spunk of an attitude when her kids tried to get her to do something their way. The smile across her face after being poured a glass of wine. The conversations she would have with the boys and the concern of worry like any loving grandmother. The kisses, warm hugs and memories will forever be treasured.*

*We love you always,
Brian and Ruby*

*My mom was a beautiful lady. I remember as a child she would take us on the bus to downtown Houston to Foley's . To buy us Easter clothes. Also at Christmas to look in the windows at the the decorations. She was a loving mother, devoted to the end. She worked hard and always sent money back to family in Cuba. She was caring, and people noticed her because she was such an attractive mom growing up in the 60's and 70's. I am thankful to God that she took me to church as a little child, where I learned about JESUS. We will all have more time together in eternity. I love you Mom.
Love, Mona (Ramona)*

Mom,

You were the best mom I could have ever dreamed of having. You were caring, loving, and helped everyone who need help whether they appreciated it or not. Even when you might have needed something for yourself you gave to them anyway. My solace is that you knew your three children loved you so very much for all your sacrifices you made for us and that the lessons you taught us in life we three children are so grateful for and we instill in our own children. Your children never went without telling you how much we loved you.

May GOD keep you in his arms forever mamma, for you are deserving of ever lasting peace.

*Your daughter,
Florinda*

Grandma was always such a sweet women. I remember the first Christmas I spent with the Thomson family she seemed so happy and cheerful to be around her family and her grandkids. She was always telling the boys how much she loved them, and did the same with Hayden once he was born. Every other holiday after that it was the exact same, full of love and joy in her eyes. She was a beautiful woman, mother and grandmother. May you rest in peace Grandma Flora.

*We love you!
Allen and Jill*
