“*Floyd was a great guy and friend, he will be missed but not forgotten by so many. Floyd was one of the most thoughtful and caring person I've ever known! he did things for friends and employees who were maybe down on their luck, i knew a few but I'm sure there were many in the years before I got to know him. Floyd was a great guy to work with and work for. I really enjoyed just sitting and talking with him, he was full of knowledge and stories! Every single time I went to see him he never failed to ask How's the family, kids, and work going? A really special guy Floyd was, I'm missing him already.*
