

## Frank Boswell

January 13, 2025

Frank Robert Boswell, 68, left this earth on January 13, 2025.

Frank had an extensive career in the oil and gas industry, working all over the world, including offshore in the Gulf of Mexico, Alaska, Africa and Venezuela. He loved adventure and in his younger years enjoyed riding his bike across the country, scuba diving and motorcycling. He loved traveling, golfing, fishing and, of course, Jimmy Buffett. Frank was an optimist - he never worried about anything and never complained. Frank definitely “went with the flow” and no matter what obstacles he faced, he kept going like a steady and reliable plow. He was so easy going, intelligent and trustworthy that it was hard to find any fault with Frank. He made friends easily and cherished the many people he came into contact with during his life. Frank was a wonderful husband, father and grandfather. He will be greatly missed!

He is preceded in death by his mother, Flora Frances Boswell, father, Robert Franklin Boswell, brother, Stephen Mack Smith and sister, Clara Jane Boswell. He is survived by his wife, Laurie Boswell, son, Jason Boswell and daughter, Carly Oakley, along with her husband Johnny and grandchildren Jolee and Trip.

Services will be private on a boat somewhere in the Gulf of Mexico.

“ I invited Frank to New York for my wedding. It’s a tradition to hoist the bride and groom on their chairs. I weigh over 200 lb. And Frank was going to make sure it happened and it did. Ever the gentleman, he danced with all the aunts. Big heart and a big guy ... leaves a big hole in our lives.
