

Frank Joseph Corolla III

January 24, 1956 - January 2, 2020

Frank Joseph Corolla III, 63 of Pinehurst, Texas passed away on January 2nd, 2020, with family by his side. Frank was born on January 24, 1956 in Houston to Frank & Dorothy Corolla. He was a man with many talents. He had a passion for his children, music and entertaining friends. He was a rare combination of someone who had a love of life yet a firm understanding of what was important; from coaching Little League in his younger years to the simplicity of honing his musical talent when older and sharing that love with anyone who might be willing to listen. He had a smile and sense of humor that was contagious. Frank's love for his family and friends was indescribable; and in return - he was loved by many. He will be missed dearly. Celebration of life is being planned by the family for the near future.

The thoughts and prayers of the Addison family and staff of Magnolia Funeral Home are with the Corolla family.

“ Frank was my best friend's older brother. I remember his El Camino and always thought he was very cool. As I grew up I continued to think Frank was awesome and amazing. He pursued his musical interests and went after that with a passion . He could always make people laugh and he leaves an amazing legacy. He is loved by so many and will be dearly missed!❤️ Prayers, hugs and love for the Corolla family.
