“ Robert, Kelsey, Kara, and Matt,
I am so sorry for your loss. I know how much you all loved her and she loved you. She will never be forgotten. I am having a hard time finding the words to express my deep sadness, but I know she would not want any of us to be sad for her. She was a bright light in all our lives and I will always remember her smile and laugh every time I think of her. You guys were an amazing support for her and no one could have asked for anything more.

Deepest sympathies for your loss,

Kathleen Rohmer

“ Kelsey and Robert-Your loss is unimaginable and prayers are with you both during this time of sorrow. I will always remember her as a happy soul who would exchange secret messages with me via our students. She was well loved by all she came into contact with. Her smile, her dancing eyes, her laugh as well as her caring and loving ways will always be remembered. I will forever treasure our time together, especially on the California trip with Felina and students (your senior year, Kelsey). What a great memory. I am lucky to have counted her as a friend.

“ *Kelsey and Robert, I know there is a hole in your hearts these days, but I also know that there is a radiant smile and hearty laugh in heaven. I will miss Gail, but her memory of love and laughter is strong in my heart and mind. She made a difference in the lives of all who had the honor of knowing her.*

“ Gail and I were teaching neighbors in the 90’s at MHS. She was such a delight!. She had a big smile, an infectious laugh, and a beautiful heart.
She loved her students and always took time to listen..”be there” for them.
Family tales shared of Robert and Kelsey brought a sparkle to her eyes !
Her spark and spunk will be sorely missed.
Rest In Peace my friend
