*My husband was VERY GOOD friends with your dad and uncle Larry back in the day. He was just thinking of him tonight and I pulled this up. And here YOU are reaching out to your dad. Kismet - My husband said that he stayed for a time in Willis 1/4 mile from your dad and uncles house and ate dinner every night together. Even coming on the road with their band at one time. My husband still performs music and said if you'd like to reach out please feel free his number is 281-235-2490 and he is also on FB. The band he is in is the Fab5, they have a page too. He is so sad to learn of his old friend - life gets busy, then runs out. Bless your family and send love from Danny Kristensen.*
