

Gary Westmoreland

February 22, 2026

Gary Lynn Westmoreland, age 69 of Magnolia, passed away February 22, 2026.

Gary Lynn was the fourth and final son born to Virginia Jesse and Alvin Doyle Westmoreland in Tomball, Texas. Having three older brothers and one older sister, Gary toughened up early in life. Gary was raised and lived in Magnolia on the Westmoreland family property all his life and also attended elementary and high school in Magnolia. Although he chose welding as a profession, Gary's proudest accomplishments in life were his sons, Jeremy and Chaz, grandsons, Brandon and Wesley, and great -grandson, Levi. He boasted about them constantly. Gary was a loving father and grandfather and wanted the best for his children and grandchildren.

Approximately ten years ago, Gary was diagnosed with prostate cancer which spread rapidly to his bones. He fought cancer bravely, but suffered tremendously and ultimately lost that battle this year. His family mourns his loss, but knowing he was received by our Lord and Savior and has gone home to be with his parents and siblings gives them peace.

The Addison family and staff of Magnolia Funeral Home extend condolences of Gary's family and friends during this difficult time.

“ Gary, I will miss you so much but I find peace knowing you are with your family and especially seeing and being with Donnie. I know you have missed him so much. Your family loved you Gary and they will never forget you. I will miss your phone calls checking to make sure I was ok. I will also miss you coming over on special holidays . You always asked me to make you my special green beans. I'm so glad you came over this past Thanksgiving to spend time with us. I love you Gary!!

“ Gary was a very loving father, father-in-law, grandfather, and great grandfather. He loved his boys so much. He was my father-in-law and I was his “baby girl”. His son Jeremy and I were fortunate to have him right next door. I miss him dearly. I really loved him like my own dad. He was a very loving person and never let us leave a visit without saying I love you. ❤️
