“ From Indiana, we send our condolences and love to those surviving Gaynelle. She was a good sport back in the days of young Kubesch Kids who needed a wrangler to keep them out of trouble while we went fishing out in Matagorda Bay.

We pray for a speedy end

“ Dear Holly,
Know that you and your family are in my thoughts and prayers. I know that you will find peace knowing that your mom is in a greater place right now. She will, though, NEVER let go of you! She loved you and will continue to live with you -- j
