“ In 2009 Gene & Betty were our 1st Magnolians to meet when we became their next door neighbor. The very 1st day came right over to greet us finding out everything about their lives. We immediately realized we had moved into a neighborhood with their children, grandchildren, great grandchildren & more! We just knew we would be outcasts, but we were wrong. We were blessed to become family with such an amazing man! Over the last 12 years Gene watched all 3 of our children grow up & shared many long conversations about life with us. Many mornings bringing our boys to school just so they didn't have to wait on the bus. Many summers hiring them to do yard work so they could learn to earn a buck. Walking across the yard to talk about getting a weekend setup of tree chopping in the neighborhood. Oh the tree chopping was such a great memory lol. We love you both. Betty we are here for anything! Gene I'm happy you are at peace, but so sad you are taken from this earth. While you may not grace us with your physical presence any longer I know you will always be in our hearts.
