“ Geneva and her entire family were such kind neighbors. I used to pet sit for Brownie. Geneva kindly visited me in the hospital when I gave birth to my son, Andrew in 1982. She brought him a precious onesie with our favorite Winnie the Pooh on it. She helped me learn to cook, and gifted a Texas Aggie cookbook she worked on. I still use it! She was so loving and kind. I hope she had the sweet life that she deserved. Condolences to her family.
