“ George Ann, we had a lot of laughs and memories. In the future, when I visit Magnolia, it will seem empty without you. Frances is waiting for you too, with her horse Rusty. Remember life was a good ride.

So long,

“ George Ann there are no words to express the way I feel right now but I know you well enough that you are still smiling and your eyes are sparkling. That was just the way George Ann is. I have known you for about 25 years or more and never did I see you

“ George Ann was a cheerleader when you won, a counselor when you lost, a confidante when you needed to share, and a clown when you're feeling blue. She will be dearly missed and in our hearts forever.
