“ He was our physical science teacher when we were freshmen. Two of our kids has him as guidance counselor. Became good friends over the years. Our class visited with him and Eileen during our 50th class reunion. Missed them when they moved from Denison. May he rest in peace.

“ He was the best!! Always knew when I had gone to Missouri, even for just a weekend. He always told me I came back talking with a southern drawl. Heaven will be a better place with him in. Prayers to Mr. Withers family and to everyone who loved him. Pray 🙏

“ Worked at school in Manilla with him for many years. He took such good care of so many students guiding them down the right path. Many stories were told to start our day. We will miss him but he's not in pain anymore. Hugs and prayers to his family ❤️
