

Gus Poutous

June 6, 2016

Quiet and strong, Gus Poutous was a devoted patriarch to the family he created with his beloved wife and greatest love, Gerrie. Together they built a fun, loving home for their children Maria, Anna, Alexis and Michael, and seven grandchildren. Gus was an icon in the local automotive industry, and the business he founded, Poutous Auto Repair, is now in its forty-eighth year. A selfless and generous man, he always put others first and extended a helping hand to anyone in need. He had a zest for life, for travel, and a love of Harley Davidsons - circumnavigating much of North America on his bikes. He cherished days he spent on the porch sharing coffee with Gerrie, mowing the lawn and gardening together. He loved music and dancing with his girls, and spending time alongside his son. He shared a special bond with his brother and friend, Louie and loved his son in laws, JP and Jimmy and daughter in law, Bethany as if they were his own children. Gus loved his sister in law, Andrea like his own sister. His love for friends, family and life was immense and infinite. Gus was a gracious man and lived his life with compassion, integrity and humility. He considered his friends family. He honored his loved ones in everything he did, and he built a legacy that will be felt forever. His loss is felt deeply by all of us, we will always cherish his memory and honor his legend.
