“ *We had the honor of getting to know Gwennie and Rob while building their home in Magnolia, as part of Kurk Homes. And then becoming friends and meeting Gwennie's many friends, family and co-workers. We joined in on several of the Sprint for Life events and later on setting up lunch dates to catch up with each other. We always looked forward to it and will miss her very much. Now Shelby, Melanie and I have some very fond memories.*

“ I wrote these words on my Facebook, but wanted to share them with her loved ones. Rest in Peace to one of the best and kindest souls I have ever had the pleasure of meeting and calling a friend. If you ever had the honor of chatting with her even for 5 minutes, you couldn't forget her. She showed us love with her Cajun flavor, of course. You're the first person that pops into my head when I hear about Mardi Gras or “laissez les bon temps rouler.” You always gave out optimism and just an overall positive outlook even when you were given hard news. I'll never forget your "sweetie" (even in your texts) or your laugh. If this world had more of you, it would be such a better place. Cancer took away your body, but your memories will stay with us forever. Love you, Gwennie! You will never be forgotten.

Here's probably my favorite picture I ever took of you. Good times in Vegas ✓ Drink in hand ✓ Standing next to a giant shoe with a huge smile ✓✓👠👠
