“ Brother I have known you since the 1st grade. Since the very first time we met we became instant best friends. Through out the years we may have drifted apart but somehow we managed to always stay connected. And now you are gone. I miss you bro. I love you bro. And I'm grateful you are no longer suffering. You have a beautiful family that resembles who you are as a person. You may be gone but will never be forgotten.

“ Condolences from the Diaz family to the Cervantes family. Saddened to see one of my favorite coworkers go. Everyday I woke up to go to work and saw my best friend with the happiest smile on his face, always laughing and enjoying every moment. The memories we shared were immaculate and will never be forgotten. He always has and will always hold a special spot in our hearts. May he rest in peace.

Sincerely,
Diaz Family

“ Our most sincere and heartfelt condolences to Crystal, their children, and his mother, Esther. We are so saddened and heartbroken with this loss. Harley and his parents lived with us since the time of his birth and through his toddler years. He holds a special place in our hearts as grew up with his cousin, our son. There are many cherished memories of Harley during his younger years. Prayers for his family for comfort, peace, and especially strength during this difficult time.
