“ Mac you were always such a joy to be around. You made me laugh so many times when I was down. Although during football season we were always on different sides but came together when all was said and done. I will miss you greatly but I know you are always

“ Even though we were cousins, you were "Uncle Jim." You always cared about me, and like Aunt Foffie, you were a great listener. I should have told you this before. I miss you.
