

Heath Lindsley

November 25, 2022

Heath Lindsley, age 44 of Magnolia, passed away November 25, 2022.

While being a Devoted Husband to Amy and Father to their children Malaki, Cole, Jarred, Blade and Angel, a Loving Son to Kimi, a wonderful Big Brother to Raven and Travis, a kind Uncle to Dallas and Logan, and a great friend to many near and far, Heath was a jokester at his core. Anything that would make a joke or a laugh, was his personality!!

Heath was a very hard worker for his family. His family meant everything to him and came first.

Heath was the person to call if anyone needed something fixed or built.

If he didn't know a solution, he and Amy, together, would research it, and together they would achieve it!

Heath will be forever missed and loved by all!

The Addison family and staff of Magnolia Funeral Home extend condolences to the Lindsley family during this difficult time.

“ *Where to begin big cuz.... I know you are loved by so many and cared for by as well. You were one of the smartest I've ever know and the knowledge you had on just about everything you touched was amazing. I wish I had spent more time and learned a thing or two from you but as mentioned time and time again fly high and looking in on everyone from time to time. And tell jarred after 30 years I still have my right ankle bone yall didn't get it when I was 5 years old. Give nanny and pawpaw Jim hugs and kisses, you will be greatly missed but it's never goodbye it's see you later and I will see you later big cuz.*

“ *Having worked with Heath, he always helped me without hesitation. I only met him a few times and we got along great each time. I know our team will miss him.*

My only regret is not getting to know him on a more personal level with the time we had.

“ How to put 34 years of knowing someone in a few words I don't know, I just know that my only older brother I had left is gone. The one I turned to for everything is gone! I told you recently that you didn't know how much i loved you but I do and now bub, now bub, you know how much that is true. I'm thankful for getting closer to you than I have ever been lately and I'm thankful for the advice and laughs. Im just sad and hurting for myself because I know you're finally with your other half and dad you so wanted to know. Forever bub ❤️

“ My oldest son. You so very missed. The hurt I feel so deeply in my soul will never and can never be replaced. My heart has shattered into pieces never to be completely put back together. The only solace I feel is that you are with your Father and twin Brother which you have been without for so long. Fly high my angel. Smile down us from time to time but so enjoy your everlasting life. Save a seat for me... Thank you for being my son! ❤️🙏😊

“ Heath was a devoted son to his mother Kimi and was looked up to by both his younger sister, Raven and little brother Travis. For 13yrs, Heath was my loving husband and an amazing father to our 2 sons, Malaki and Cole. Heath has numerous aunts, uncles, cousins, nephews and neices he leaves behind as well. I pray for comfort for Heaths family to know he has been reunited with his father, Hal and his twin brother Jarred, whom he missed greatly.

“ *Heath, I'm so grateful that Amy and the boys had you. You worked hard so you could play hard, tough on the outside, but had a very loving heart. I will miss BS with you and will always picture you standing next to the BBQ pit with that big smile on your face. I loved you like a son, and will miss you so much.*

“ *Baby you have no Idea how hard this has been on me... I miss your stupid little dances, I miss you goofy little jokes, I miss your smile, I miss your hugs, and most of all, I miss you. We had that fairytale love. Our hearts beat together and I feel like there is a part of me missing. I know someday we will be together again. I love you to the moon and back down to earth. Forever.....and always. Your forever wife*

“ *It's so hard to write this as my heart is just hurting for you. I've always admired the relationship the two of you shared. You were his world and he was yours. I cannot imagine what you must be feeling right now. All I can do is express my sincere condolences and let you know I love you and am thinking of you and that all of you are in my heart, thoughts and prayers. Grief is not about forgetting, but about remembering. It's the remembering that gives you the strength to keep going. Love you so much, Aunt Carol*

“ Words are difficult to find to express the hurt in my heart. This son-in-law was a great man and cared for our daughter and grandchildren. You took care of our mother and father before they passed, and I will always be grateful for all you did to help them. You will be missed but never forgotten. I'll see you again, I know.
