“ It is hard to put into words the sadness we all feel. Eight years ago you entered my daughter's life and accepted her. You worked hard to coparent and embraced the role of mother. I've missed our chats in the bleachers at gymnastics practice and the love we shared for our daughter. You were never just her stepmother. You were her role model and she wanted to be like you so much. She loves you so much and that speaks volumes.

You are loved and will be missed. Forever in our thoughts and hearts. Rest in peace.

“ In loving memory of Heather Humphries, a cherished member of our Deez Basset family. I'll always remember the day Heather came to pick up their basset hound puppy, brimming with excitement and anticipation. We shared stories and laughter, bonding over our mutual love for these gentle creatures. Though Bill couldn't join us, Heather's kindness and enthusiasm spoke volumes about the love they shared. Heather's presence will be deeply missed, but her memory will live on in the hearts of all who knew her. My sincerest condolences to the family. You are in our thoughts and prayers during this difficult time.
