

Irene Kerr

August 24, 2023

Irene Louise Gottselig grew up in the Heights of Houston with her mother and father Regina Mattern Gottselig, and Adam E. Gottselig and enjoyed her beloved grandparents Paul and Monica Mattern of Plantersville and her numerous cousins. She attended All Saints School in Houston, Texas. Her studies were conducted by the Dominican Sisters. Where they also attended All Saints Catholic Church. Irene married Leon Anthony Schindler and had her only son which was her life, Guy Anthony Schindler.

Years later she moved to Waller where she lived her dream. In the country raising cattle and loving all of nature. She loved her rescue dogs especially Eddie, and raising ducks and chickens. Her mission was her passion for Christ the Sacred Heart of Jesus and Mary. Which she shared with everyone she met. It was common for her to take a pot of soup to someone in need or care for someone in her home. St Mary's Catholic Church was her home, she always said " it was built on Holy ground". She met Stephen Michael Kerr in Waller and they were married at St Mary's, sharing the same love  of the country. She lived her life all the days of her life there exactly where she wanted to be until she took the Lord's hand. May she rest in Heavenly peace. We love you Irene.

The Addison family and staff of Magnolia Funeral Home extend condolences to Irene's family and friends during this difficult time.
