“ He was the best grandpa I could have ever asked for. Every time I saw him he would always say my name with a smile and a big hug. He was kind, caring, loving, and selfless. He would’ve done anything for me. I aspire to be as strong, and good of a person as he was. I’ll never forget the wonderful memories with him. I miss him dearly and love him so much.

“ His overwhelming pride was so evident in Lubbock, Tx on the day that Mark graduated from Texas Tech. I was very happy to be included in that celebratory dinner made only a slight bit poignant by the absence of my father who had passed away only a few years before. And I will always have that footnote of Houston history in my memory knowing that his small company played a part in prepping the construction site for the Astro Dome. Thank, Pops, for those ever-present smiles and words of congratulation or encouragement throughout those years. The Lantz Family will always remember you fondly. Rest in peace.

Milton was was great man! His exterminaton company. He provided with the stuff to keep my place free of bugs. He also had odd jobs for me to do so I could have a little extra walking around money. We will remember him as great giving man! Rest in Peace.
