“ RIP....Mr. Randy was a helper from God in our Community he assisted every individual with chores, full of laughter, this Man was a gift from God who was supportive in our Community. I am shocked over the News. He was an angel in our ❤️. A man who walked from one state, city to another, plus a distinct person to challenge himself to reach out to help individuals just from his heart. Full of laughter. I am sadden to get the news. A well known community chosen on an assignment by "God"!

Mr. Randy walked a lots to and fo to get where he was goin. So, many citizens in Hempstead knew of him . I checked on him perioically he would say "I'm okay". He was very cheerful to keep people happy with a smile. I ask him several times do u need a ride to the store today. He stated I'm ok. At times he said I want to go to Waller to get a few items. I'm surprise I ask a gentleman about Mr. Randy he didn't answer me in the right matter. This gentle was sent by God to reach out to people with his skills, talent, etc. God knew who Mr. Randy was he was had skills to check ur car, carpentry, he walked about a mile or more to get to the store I didn't pass him up I offered my kindness. He will be truly be missed in this community. God wants us to love one another.. R.I.P. Mr. Randy
