“ *My pa, oh how I miss you. You were an amazing grandfather to me and Justin. You always had me laughing. Especially the time you threw root beer all over the truck and blamed little joe. Or the time you made little Joe put his shoes outside and he flipped*

“ *When James called to talk with John, I always enjoyed talking with him first before I gave the phone to John. He was always so upbeat and full of fun. I am so sorry for your loss. I know he will be missed by so many.*

Love to all the family, Nita Pou
