

James Meyer

October 31, 2024

It is with great sadness we announce the unexpected passing of James Gabriel Meyer, who died peacefully in his sleep on October 31, 2024, at the age of 17.

James was kind, very focused, and very loving. Most importantly he took great comfort in the Lord, he liked to read his bible and highlight things that brought him comfort and closer to God. James was wise beyond his years and when he spoke, we listened closely, as his messages were full of love and great wisdom. He loved sports, knew everything there was to know about any football team and player. He had a great love of basketball too and had started playing in his sophomore year learning everything he could soak up. He loved to lift weights, run, always working on his basketball game training outside of school. James did everything with complete dedication. He had many goals and aspirations for the future including the NBA, becoming a Navy SEAL, and a marine biologist.

James was born in Texas and enjoyed his life here growing up, raising chickens, goats, sheep, cats, and dogs. For a few years he lived in Alaska and took up dog mushing as a sport, winning several dog-sledding races and tournaments.

James' strength and spirit lives on through his mom, Jenny, his dad, Keith, his older brother, Austin, and his three older sisters, Christen, Kara, and Paige.

James is preceded in death by his grandparents.
