“ Jimmy has been my landlord since March 2019 and I have the deepest respect for him. Although I rented his house that was on his personal property he always respected my privacy as a tenant. I will miss watching him check his mail at the street as he left to run his errands and toodled around town. He was a no nonsense kind of man and you always knew where you stood with him. He was the BEST landlord I have EVER had. I will surely miss you Jimmy! Rest easy and God speed.
