“ *Jane its so hard knowing your as such a great neighbor & friend here in Prescott for so many years. Even moving away you were never out of our thoughts. I always remember when I use to produce that cute little giggle joking with you. Also when you were so excited to drop off a new Salsa you made. After I knew of you passing I had to by your old house here in Pinon Oaks, Prescott....stop the car for a moment look up the house and say "Goodbye Jane and thank you for your warm wonderful friendship throughout many years we've known you here" God Bless & we'll meet again with tears I go.*

“ Jane, I have so many memories to share about you. You and Art were 2 of our first friends when we moved to Prescott 19 years ago. The four of us shared so many things in common.....our love of animals, Jane.....you and I, our love of cooking, just sharing time together and enjoying an occasional glass of wine. Jane.....I remember two Christmases ago, you brought me a gift that I will so treasure because it was a guarded family recipe. Art called it your "napalm" sauce. We loved it so much but you kept it secret for so long. I will remember you for many reasons, and many things. I missed you from the day you told us you and Art were moving to Houston. We promised to keep in touch.....but you left this world way too soon. Save a place for me, dear friend!!! Love, Carol
