

Janet L Schoffstall

May 18, 2025

Janet Lynell Hensley, daughter of Norma Lee Jensen and Clifford Phillip Hensley was born in El Campo, Texas. Janet graduated from Spring Woods High School in 1974. She was raised in the Catholic faith. She departed this life on Sunday, May 18, 2025, in Houston, Texas, at the age of sixty-nine years old.

Janet was the loving mother to 3 beautiful children: Jessica Lee Schoffstall, Aaron Isaac Schoffstall and Ashley Michille Schoffstall. She found great pride and deeply cherished her 5 beautiful grandchildren, Jeremiah, Isaiah, Arianna, Chantz and Lola plus a new grandbaby on the way. She supported her children and grandchildren with laughter, a gentle heart and a listening ear while instilling deep family values they all continue to hold dear. Janet will also be missed by her siblings, Ronnie Hensley and his wife Sue, Sandra Diehl and her husband Joe, Gary Hensley and his wife Annie and John Hensley.

She really shone as a mother, grandmother, sister and friend providing everyone she knew with wonderful memories filled with laughter, love and a passion for music that she continued to share throughout her life. She was a bright light in every room she entered and will be remembered dearly by all those who loved her.

“ All siblings are special, but our Janet was extraordinarily special. She was always beaming with love, compassion, a mediator, peace keeper full of never ending generosity till her last day on earth for all who needed help.

Janet had a gift that was so rare few people could not even fathom or comprehend the depths of her soul. Janet loved angles, not just for their beauty in pictures but for their spiritual support they gave her throughout her life.

Janet raised 2 generations of her family never giving up on anyone and constantly pushing forward for a positive outcome.

Janet did not take; in her words any crap from any one. If you needed love she had all the love you needed. If you wanted a fight you were in for a surprise, with her strength and tenacity she would make her point well known with no prisoners taken.

Janet blazed her own trail with a strong religious foundation in God and his angles, they were the source of her strength.

Janet loved to play cards and dominos, and she was good; Janet would play with enthusiasm, kick but and take names, always played games with music playing in the back ground.

Janet was my sister and I loved her deeply. I will miss her more than anyone can imagine. I am and will always be so proud of her strength and the quality of person she was.

Janet was an inspiration to everyone who knew her on this earth.

Janet is now what she so fervently admired on earth, she spent her whole life to reach this pinnacle, a guardian angle; protecting her family from heaven above . Extending her massive wings, surrounding her family, drawing them closer as if in a group hug of endless love and protection.

I pray when Janet has been touched by God walking through the gates of heaven holding Gods hand she will see all who have passed before her, Mother, Father aunts uncles giving her everlasting peace, joy and happiness.

I pray that Janets spirit will touch each and everyone she loves so deeply, sharing her new found world of happiness and joy, sharing all the peace and tranquillity she feels, letting us know all is ok, I am here now and I am watching over you till I see you in heaven, my

precious loved ones.
