“ 14 years ago you left us mema and in those 14 years I've grown so much. I know you are watching down from heaven and cheering us on. It hasn't been the same without you. I have a daughter that's 5 now and she shares your name. You'd be so proud of her. We talk about you and Papa almost daily and send balloons on her birthday to y'all. We love y'all so much. A piece of me went with you and papa the day y'all left and I haven't been the same.
