“ David, I am so sorry for your loss. Janice was a sweetheart. We met when I worked at the Pinehurst P.O. and became chatty friends. That's when we discovered that I only live around the corner from you. May God Bless and care for you and it won't too long

“ Jennie's beautiful smile and sense of humor was a pleasure to share and I was blessed have been given the opportunity to share in a small part of it. She will certainly brighten heaven.
