“ I worked at Victory Field with Jason and he would come down the secretaries' hall way and just stop by and plop into a chair and carry on a conversation like we had been sitting there all day talking. I hated it when he left VFCA b/c I knew I would miss

“ *Dear Hanley Family,*

The last time I saw Jason was at The Pedernales River Fellowship Church. I recall how tall and handsome he looked. He was smiling in a very peaceful way and had a magnetic presence about him. This is how I will always remember him
