

## Jeff Johnson

September 11, 2018

Jeff Johnson, age 75 of Pinehurst, passed away September 11, 2018, surrounded by his loving family. The Addison family and staff of Magnolia Funeral Home extend condolences to his family.

Jeff was a devoted husband, father, and grandfather. He graduated from Abilene Christian College with a religious education degree that he used to become a great Bible teacher who taught the young and old; sharing God's love with each of them. He loved studying the bible, working with his hands, children, travel, and encouraging others. He selflessly served his country as a Marine. He retired from Tellepsen Builders and spent his retirement years consulting, traveling, and encouraging churches. During his hardest times he never had a complaint but always wore a smile. His love for Jesus showed in his love for people. He will be missed by all.

In lieu of flowers please donate to the Jeff Johnson Memorial Fund by making a contribution to the Spring Creek Church of Christ and mail it to 14847 Brown Road, Tomball, TX 77377. Please make your check to the church and in the Memo of the check put "Jeff Johnson Memorial Fund". Jeff held all children as special; these funds will support children's programs and outreach at Spring Creek Church of Christ.

“ Jeff was my first boss in construction, in 1977, at Pence, and I worked for him on several more projects after that. He was always encouraging me and he was always respectful, but firm, with all the people on his job site. He was a true example of a Christian in construction, and I always appreciated him for that. I also worshiped and served with him and Vickie and his family with the Tomball church of Christ, and he was always a blessing to me, my family, and the church family. He was truly a man of God, and now he is truly a man with God!

“ I had the pleasure of starting my career with Tellepsen at the Houston Industries project, this would be my first project as a secretary out in the field. This was a very different culture for me at the time, Jeff was that person that assisted me and showed me how truly exciting construction could be. I loved how Jeff was that Superintendent that treated people with respect and patience. I will never forget how Jeff was truly a huge part of my career in Safety by teaching me how to respect and have patience for others. Jeff thank you for everything, you will be truly missed by me and the construction industry.

“ Jeff Johnson was the perfect example of a man who loved God. We saw that as soon as we met him and Vicki just 6 years ago. We became really good friends and enjoyed having them in our home on visits to Oklahoma. As far as we are concerned, they are part of our family. We will miss him but know that he is safe with Jesus and feeling no pain anymore!

“ I knew Jeff at Tellepsen Builders, he was the superintendent on the Tomball High School project we built almost 20 years ago. I remember Jeff as a kind, pleasant, optimistic, problem solving kind of guy. He was a pleasure to work with.

My condolences to his family on his passing. He was a real gentleman.

“ As the youngest son of Jeff and Vicki Johnson I lived first hand with the expectation of doing what's right when approaching a decision and to weigh my choices with the fact that Jesus is the example to live by and emulate. MY DAD LOVED JESUS! His unshakable faith and unending positive attitude served as an example to strive for. Dad was the most approachable person and no matter old or young he made all feel important and appreciated. I can't wait to get to heaven and see his face light up when Jesus tells me "well done good and faithful servant". I love you Dad. Chad Johnson

“ Jeff has been in our hearts and our children's hearts for many years. His race is over. He has kept the faith.

*Then I heard a voice from heaven say, “Write this: Blessed are the dead who die in the Lord from now on.”*

*“Yes,” says the Spirit, “they will rest from their labor, for their deeds will follow them.”*
