“ Jeff and I grew up together and attended Channelview first assembly of God. He was a very kind friend. I remember staying over his house once. His room was so amazing it was black and red. I believe his bed was a race car. And we had a fun night. He was so kind. Heaven received an angel. I'm so sorry he left so soon. I didn't get to communicate with him as he became an adult but seen what a man of God he was and his beautiful family. My deepest sympathy to his wife and daughter and his mom dad and sister Jenn. The world lost a very good man. Roy Bankhead jr
