“ Comfort and peace to all the family. Jerry was an awesome man. He loved his family so much and extended family. It was an honor for us to know him and to be in the families lives. He was such an example to follow. A great Christian man with such good values. He will be greatly missed, but memories of him will live on and all of our lives, love and prayers

“ Jerry became a fixture in my life as a teen - his daughter, Rachelle, was my best friend. He would drive us anywhere and everywhere in his 4 door Caprice Classic. As teens, we were always in a hurry to get to our destination and Jerry always drove the speed limit. Leaving us with hilarious memories of those seemingly long drives. Jerry was an outstanding man and an even greater father. The first time I met him I was so impressed with him - as he stood on my front porch, fresh from the golf course looking very dapper and handsome. He loved his family above all else. His priority was to provide for his loved ones in the best way possible. Jerry Lee Caviness was an upstanding genuine man. Resolute in his morals - unimpeachable in his ethics. My condolences to those he leaves behind. He will be very much missed. Jerry was one of a kind in all the best ways - he may be gone but he will not be forgotten. He will live on in our many memories and in our hearts. May he rest in eternal peace. -MC
