“ *Jim, you are my world. I am sorry, so sorry that you left this earth alone. I am dying inside not knowing why. My heart is shattered. I would gladly taken your place. Life will never be the same. You know me and you know I will go to my grave seeking answers as to why and how you left. It kills me that those people didn't call me to be with you until it was too late. You will always hold a piece of my heart. I love and miss you my little slim Jim.*

“ *Jim was in my 4th grade math/science class. I LOVED him. He was quiet and quite intelligent. I always loved to see his smile when I would tell him what a great job he was doing or tease him for being so quiet. I encouraged him to share his thoughts with the class, but he did not do so willingly very often. My heart is broken. Sending hugs and prayers to his wife, family, and friends.*
