

Jon Arbelaez

October 13, 2020

On Tuesday, October 13, 2020, Jon Christopher Arbeleaz of Spring, Texas, passed from this earth and breathed deeply of the glory of heaven after a battle with cancer. He was 37 years old.

A Texas native, Jon was born on September 21, 1983, to John and Elaine Arbeleaz. He was such a loving and caring son, and will always be remembered as the best brother and best uncle, both roles he cherished.

As a long-time professional in the oil and gas industry, it is said of Jon that he never met a stranger. He didn't just have friends; he had full cities and states of friends. He touched so many lives during his time on earth. Jon was genuine and generous, loyal and protective of those he cared about. And most of all, Jon was so strong. Throughout his battle with cancer, he fought with such strength, never wanting to stop or give up.

Jon is survived by his mother and father, John & Elaine Arbeleaz, his brother

and sister-in-law, Christopher and Meagan Arbeleaz, his nieces and nephew, Mia, Andrew, and Sophia. Along with many aunts, uncles, and cousins. He is preceded in death by his sister, Dena, as well as his maternal & paternal grandparents, and beloved pets Memphis and Spotty.

There will be a full mass at St. Ignatius Loyola Catholic Community Church on Monday, October 19th at 11am, with a celebration of life immediately following at District 249.

In lieu of flowers please consider donating to The Colon Club or the local SPCA. If flowers are ordered, delivery should be made to St Ignatius Loyola Catholic church, Prior to 11AM on Monday, October 19, 2020.

Condolences of the Addison family and staff go out to the Arbelaez family and friends.

“ *I worked with Jon in west Texas at Butch's Pressure Control , he was truly one of the coolest cats I ever met . When we talked it was always about family and lots of laughter involved . We went to Pody's BBQ in Pecos one day for lunch and we just talked and had a great time , he always called me Punky cause I'm this old Rocker guy , but I can honestly say he loved his friends and family , love ya Jon .*

“ I met Jon and Chris when our dads went hunting years and years ago. We actually didn't hunt much but we spent time together out there like teenagers would. It was always fun and Jon's personality was something I will always remember. The Cervantes family gives our deepest Condolences.

“ *This may be the weirdest sentiment that is given, and how it is given, but we sold Jon our house. We loved that house unconditionally. And we turned down offer, upon offer because we wanted the right person that would love that place the way we did, and he did! We just found out from our former neighbors (his new) of all that he was battling. It breaks our hearts for his struggle, his loved ones pain, and anyone in his life... for we have prayed and cried for him also. Such a good soul. Hope he keeps playing pool with that big guy in the sky! (He and us may be the only ones that know what that means ;))*
