“ Dear Stu, Katie and Leeanne,

My memories of Joni are of a joyful, confident, funny mom and wife —lively and fun, Joni could dish out a joke at my expense sometimes, but could always take (and laugh at) any comeback I might muster.

Not having seen the Werner clan as much in the recent years, during which you all struggled with her illness, it is very hard to imagine the family without Joni. I know she will be greatly missed.

May our Lord Jesus bless you with Zhis great peace and consolation.

Much love to you all,

Tom Chandler

Our sympathy and sincere condolences to your Family over the passing and loss of Joni.
We remember your Wife and Mother from the fabulous, fun times we all had at Hidden Forest Elementary School and beyond. Joni was a dedicated volunteer who impacted the success within the school environment for many during those times in our lives.*

“ *Joni was my oldest and best childhood friend, having met as toddlers and close neighbors. We shared many, many great times, birthday parties, school days, many fishing trips, carnivals, the Shrine Circus every year, ice skating and sliding, almost daily trips to the park across the street to play. Joni was great at sports and played softball at the park. We were so happy to finally get into the same class in 5th grade. Joni loved to have fun and laugh. Thanks for the many great memories. Generous and loyal friend, you will be greatly missed.*

Joni had the kindest and most giving heart of just about anyone I knew. She was so involved in her daughter's activities and welcomed all their friends into her home. Her cookie decorating parties at Christmas time was the highlight of all of my children's early memories.

Joni was an angel to all of us. Keeping you all in our thoughts.

“ *Joni was such a kind and giving person. My girls always loved doing the Christmas cookie decorating each year. Joni always provided all the cookies and decorations needed. I loved doing the many PTA and school events with Joni, and there were many from Bradley to Churchill. We would do a lot of laughing and have a great time! You all have our deepest sympathy! I know she will be missed by many, but the wonderful memories will remain forever.*

“ *Every time Joni would come to my apartment or condo she would put "dibs" on items she wanted when I was willing to part with them. I'm sure if she had a sticky name tag, she would have put it on the object. It was always good for a laugh. Aunt Carol*
