“ *Joey Daniel Hobbs was an amazing cook, CHEF if you will. His endless BBQ's were an epicurean delight. He could make a pot of beans taste delicious. He was truly my Best Friend in the whole World. We have so many wonderful memories together for 18 years. When we got stuck on the computer we would have to call Momma Ann to come over and fix the clitch. She always would without a gruff. Thank you Momma...I know you had to let the Angels take you home honey Boy my heart wasn't ready... We will meet again some day and it will be a glorious time..I love you with all my heart and soul. Your bestie. Bou June Hw had wisdom beyond his years.*
