“ I'm not sure only one memory would be enough! One of the memories that shine through is hanging out with JC in the summers and after school or work and him helping us with our horses. Teasing, hauling hay, feed or him threatening to run you over with the tractor if you weren't out of the arena before he was. Many times he would come over and I would fill his and dad's coffee cup. He was always a solid person in my life and one of the best people to know! I have so many more! You are missed. We love you JC!
