“ I just recently learned of Joe's passing. He and Minnie were very dear friends of mine from First Baptist Church of Destin. I'm so sorry for your loss as they were both so very special people.

“ Hi, I am so sorry for the loss of your father. Joe was our neighbor in Destin, we live right across the street on Jupiter.

I'm so happy Joe was with his family for the last few months. I would check on him periodically here and he was always so nice and pleasant.

I know I am seeing this late, but it is never too late for prayers, and your family will be in ours.

If you need any assistance with the house or property down here, just call me, I am happy to do it. I live 20 yards away.

Sincerely,

Layne & Lauren Fielder

Praying for peace and comfort for the family. Joe was a Deacon and member of our church, First Baptist Church of Destin; which is where I met Joe. He was always happy and smiling. If he wasn't smiling, we knew something serious was wrong. He was a real character and loved to make jokes and kid around. We served together on the Pastor Search Committee. That's where I really got to know Joe. We have missed him terribly since he moved away and know he is walking with Jesus now. He will always be a part of our church and in our hearts. Nothing can ever replace the hole left in our heart when a parent goes to be home with the Lord. Please know you are in my thoughts and prayers.
