“ Santos, Maria and family,
I am so saddened to receive the news of Martins passing. I pray for him. I pray for you ALL at this time and will continue to pray for your family. You've been part of my 2nd family/home, for so many years (since 2002) and will always be. I treasure the memories of you and Maria expecting your 3rd child (another boy!) and had doctors appointments. The "big boys" had started school and you entrusted me to get them off the school bus, listening to them (mostly Martin) talk about what they did at school, if any new friends or girlfriends (he typically said he did), etc. while getting their snack and starting homework until y'all got home. Watching them with the horses, playing with their brothers (sister came along after I was no longer in Tomball), the birthday parties with Doc and Miss Kathy (she included the WHOLE FAMILY), working with you outside, was such a big part of the blessing I received in the time I was "home" at CBC/Lone Star.

I cherish our friendship and always will. I cherish those memories spoken, and so many more that I have, your sweet family being a very large part of the.

*Sending my prayers and love, now and always!
