“ Since the day Kaden was born, I was filled with wonder and delight with his big smile and beautiful eyes. Filled with happiness for his parents when they brought him home. It was such a pleasure to see him grow up into a handsome young man. I am so heartbroken for his early departure. He will always live in our hearts.

“ *My memories of Kaden seem to all revolve around his amazing smile. I remember him when he was just a toddler running around with bright blonde hair, blue eyes and the great big smile. I remember him being rambunctious and fearless. He charged around without a care in the world. He had a great big personality for such a little fella. Kaden will always have a place in my heart.*
