

Karaline Nicole Fugle

October 1, 2003 - May 24, 2019

Karaline Nicole Fugle was born on October 1, 2003 and left us far too soon on May 24, 2019. She was 15 years old. Karaline is survived by her parents Chad and Kimberly Fugle, her sister Katelynn Fugle, and grandparents John and Kathy Fugle, and John and Donna Haywood and beloved dog Krystal. Karaline came into the world as a bundle of happy, bubbly, laughing, ball of energy that just made people smile. Karaline was very athletic she loved to dance, became an accomplished gymnast, was on the cheerleading squad, the track team, and loved just being a kid. One of Karaline's greatest pleasures was to participate in things where she could work hard, cut up, have good clean fun, encourage others, be part of a team, and was able to help make other people feel good.

During Karaline's journey she made many people feel good, shared good laughs, and had far too many displays of personality that beamed out of her to put into this short space.

One of her last messages was, "Be like a pineapple. Stand tall, wear a crown, and be sweet on the inside". A message that we should all take to heart. Karaline's funny bubbly personality was just who she was, until she stumbled into loneliness, and depression, a sense of loss, and despair from mean encounters. On that night the weight of it all was too heavy to bear. In her 15 year old way of thinking, she just couldn't see all the positives of what was to come so soon in her future. Let us not fail to take this opportunity to continually reach out to our family, classmates, friends and acquaintances with

never ending support, kind versus hurtful words and courtesy as we all continue this wonderful journey of experiences, learning, and understanding called life. Each of you matter, you are loved, and support is eagerly available – do not be afraid to reach out for help.

There will be a reception following the funeral service at Magnolia's First Baptist Student Building.

“*I was Karaline's Fifth-grade reading teacher. I just discovered today that she passed. I can only say the world lost a beautiful, brilliant and kind angel. Karaline was the brightest light in the classroom and always offering to help me or any of her classmates with anything. She was a young lady, even at ten. May God rest her precious soul and protect her forevermore.*

“ *Karaline lit up my 7th period. She was a princess there. She did not everything she could to always do the right things. Not a day went by that I didn't hear her sweet voice with , "who took my phone? Guys, gimme my phone." Then she would laugh. She was a super talented cheerleader and a good friend to everyone. She dressed for every dress up day, brought stuff for every project and food day. She is the kind of kid you just love teaching!*
