“ I knew Larry for just a few short years. Some great memories were made that I will cherish the rest of my days. During that time, a new life was created. Thank you, Larry, for giving me a child. I was truly blessed by your presence in my life.

“ Didn't know Larry very long, but it didn't take long to see how good of a person he was. Sad to hear the news of his passing. Sending out prayers for his family and loved ones. Happy to have known such a great human being. Rest In Peace friend.

“ I had the pleasure of working right by Larry's side for two years and he was always great to be around. He loved his wife and his boys and never hesitated to speak highly of them both. Larry was always in good spirits and always cracked a smile even if things weren't going his way. I'm thankful for the time I spent with him and I'm heartbroken that I couldn't get to know him better. I'll miss your stories and your genuine nature. Rest well old friend and God Bless.

“ *I got to know Larry when I started work at Coleman Hanna car wash back in 2015. He was my boss and I learned how to build most of the stuff in the weld shop from him. He had worked for them for 36 years and had a lot of knolage about the equipment they build. It was an honor to get to know him and work with him. he will be missed by not just family but anyone he got to know or made friends with. See you on the other side Larry.*
