

## Lesley Lynne Boston

February 17, 2006

Lesley Lynne Boston, born March 21, 1979, chose to enter Heaven February 17, 2006, in The Woodlands, TX. Lesley is eternally loved and immeasurably missed by her surviving family, including: her mother, Kathy Boston, her sister and brother-in-law, Kate and Eric Boedy, and sister, niece and nephew, Elizabeth Boston, and Jordan and Ethan Hennig. Lesley was warmly welcomed into Heaven by those preceding her in death, including: her father, Ted Boston, and her grandparents, Gray and Irma Householder.

Lesley attended Klein High School, furthering her education by attaining a Bachelor of Science Degree with Honors in Psychology from the University of Houston in May of 2003. Lesley, most recently, was working towards receiving her teacher certification with intentions of helping children, while also studying methods to help women purposefully overcome their private battles.

In Lesley's 26 years, she displayed countless gifts and talents, mastered numerous skills, and adventured courageously into the unknown, as she chose, time after time. Lesley's ultimate achievement, and legacy, will be her relentless pursuit of her cherished relationships with everyone she knew, including family, friends, and acquaintances. Lesley's unconditional love for people, and their lives and stories, combined with her passion for encouraging others, lives on.

As much as Lesley loves flowers, she also adores, and is grateful for your donations to her favorite organizations, as follows:
