“ *Leslie I miss you already. We have been friends since our freshman year of high school, two giddy teenagers always goofing off, hanging out & sometimes causing trouble! I miss those days. I will also miss our long talks about our kids & all of their endeavors. You have always been a close friend not only to me but my family. We will all miss you dearly. I hope & pray that you are pain free & are the happy loving girl that I remember!*  
*Love you always, Dena Buchanan*

“ Leslie and I were often confused for one another. One particular incident, Constable Hill mistook me for Leslie and called me by her name. I told him I'm not Leslie. I'm Kim. He laughed and said well you look like her! I said no she looks like me because I'm older!! Leslie and I often joked about that! Truthfully we didn't really look that much alike...we just both had blonde hair and blue eyes growing up. We also had a difficult last name...haha. Leslie was always so kind. In school she went above and beyond to be kind to others. She had an infectious laugh. I am so sad that we didn't spend more time together in the last few years. Leslie you will be missed more than you know. Mrs. Maryann and Eric and her daughter Magen please know my prayers are with you and all the family.
